Work Experience

Citi / Senior Digital Graphic Designer, AVP

MAY 2022 - PRESENT, MISSISSAUGA - CANADA

As a Senior Graphic Designer, I developed numerous email flyer templates for internal use within the Equities and Markets Technology department, and maintained up-to-date SharePoint sites for various teams.

Xi Digital / Senior UI Designer

AUG 2014 - MAY 2022, TORONTO - CANADA

Senior UI & Graphic Design department lead, providing direction and creative design concepts for desktop and mobile websites. Leading a team of graphic designers, front end, back end and full-stack developers, digital marketing strategists, copywriters & content creators, SEO and PPC specialists; I facilitate the implementation of creative design concepts from the idea phase to execution with both internal team members and clients.

ILSC Education Group / Visual Designer

JUL 2013 - OCT 2013, VANCOUVER - CANADA

Creative Design lead for numerous design concepts for a wide range of communications and advertising products used in various international markets. Products included (but were not limited to) educational resources, brochures, posters.

Inkarta Design / Graphic Designer

APR 2010 - SEP 2012, FABRIANO - ITALY

Graphic Design lead responsible for developing a high volume of design concepts for numerous clients representing diverse industries. Design concepts included (but were not limited to) website design, logo design, branding materials.

Ideart Solution / Graphic & Web Designer

MAR 2008 - MAR 2010, MATELICA - ITALY

Graphic Design technician responsible for creating various design concepts and products for numerous clients, including a website that received a national award for website design. In this position, I also worked closely with the serigraphy department, expanding my knowledge of screen printing techniques and packaging.
